MEMORANDUM FOR: Chief of Operations
Chiefs, Special Staffs
Chiefs, Operating Divisions

SUBJECT: Delegation of Authority to Approve Projects

RESCISSION: Memorandum from DD/P to same addressees,
dated 12 April 1960, same subject

1. Attached is a copy of the Director's memorandum of 10 June 1960, subject "Approval of Clandestine Services Projects."

2. In accordance with the Director's memorandum, authority is hereby delegated to Chiefs of Operating Divisions to approve new projects and to renew, amend, extend and terminate projects provided the action taken will not cause the total annual project authorization to exceed \$15,000.

3. The same authority is hereby delegated to Chiefs of Special Staffs for projects for which their respective staffs have operational responsibility.

4. Notwithstanding the above delegation of authority, any project which raises significant questions of policy should be submitted for approval by the DD/P (or COPS or A/DDP/A) even if the total funds authorized are less than \$15,000.

5. It is the responsibility of each chief of a division or special staff, before giving final approval to projects in accord with the above authority or recommending projects for approval by higher authority, to ensure that there has been consultation or coordination with other components if and as appropriate. Consultation or coordination is appropriate if a project affects the activities of, or requires action by, another component or would benefit from the application to it of specialized skills or knowledge available in another component.
